opportunity to congratulate you on your selection
as Canada's Representative to officiate at the
Woman's World Cup.*

*Amateur sport is important to the quality of life in the
province of Ontario, and Canada as a whole. Sport provides
role models, exemplifies the value of teamwork and builds
community pride. Competitive amateur sport also stimulates
participation in physical activity, leading to better health,
higher productivity and a stronger social fabric.*

*Thank you for your contribution to sport in
Ontario and abroad.*
